Celebrating Indigenous Achievement

In 2017, the *Indspire Awards* will be celebrating its 24th anniversary in conjunction with Canada's 150th anniversary in Ottawa, our Nation's capital. This prestigious award represents the highest national honour the Indigenous community bestows upon its leaders and achievers. This Canadian Screen Award-winning production is broadcast each year nationally on Global and APTN (Aboriginal Peoples Television Network) to hundreds of thousands of Canadians from coast to coast.

With a message of reconciliation, the 2017 *Indspire Awards* will bring together artists and performers from across the country to create a one-of-kind show built on the values of a common history and collective vision for a brighter, stronger future for all Canadians, rooted in understanding and partnership.
