RE: Indigenous Student with Dependent Children Bursary

Dear University of Saskatchewan,

My name is Jen Pritchard and I want to thank you for your generous support and choosing myself as one of the recipients of the Indigenous Student with Dependent Children Bursary. As well as recognizing my strong academic performance and promise to my studies. The support will help my young growing family in many ways. I appreciate the support tremendously and cannot begin to thank you enough.

I'm a 30-year-old Metis woman from Saskatoon, SK and currently in my 3rd year of studies with SUNTEP (Saskatchewan Urban Native Teacher Education Program). I have two young daughters who I strive to be the best role model for. Once I obtain my degree in education I plan to be an educator with the public-school system here in Saskatoon. I want to teach young children and incorporate the many cultural practices of Indigenous people into my lessons. My goal is to teach primary education for a couple of years and then return to university to obtain my master's in education.

Thank you again for everything.

Sincerely,

Jen Pritchard
