

Dear Sponsor of the North Star Bursary,

My name is Tagalik Eccles and I am in my final year at Law attending the Nunavut Law Program, and will be graduating in June with my Juris Doctor in Law. Your sponsorship for this bursary has enable me to purchase a new laptop that I will be able to purchase a new laptop for myself that I can use during my articling, and for the rest of my studies.

I live in Rankin Inlet, Nunavut. I will be articling in my home community with the goal of working as a lawyer in my community to work with Inuit. I currently study in Iqaluit, Nunavut. My interests are in criminal law specifically, and will go on to work in criminal defence.

Thank you for your generous support. Scholarships from sponsors like you have enabled me to put my full focus on my studies and not worry about my financial situation. It has helped me to put my best efforts into my schooling.

Thank you,

Tagalik Eccles
