Dear *Indspire's Building Brighter Futures: Bursaries, Scholarships and Awards program*,

My name is Levi Eegeesiak and I live in Iqaluit, NU. I am currently enrolled in my third term (first year) online Bachelor of Business Administration program with Yorkville University. It is a two and a half year, commitment that I am pleased to have the opportunity to grow administrative skills in. I currently working full time in the public service with the Federal Government where I aspire to bring what I am learning and apply it to my job.

The Indspire's Building Brighter Futures: Bursaries, Scholarships and Awards program will help me financially. This will bring some relief to the school enrollment fees, books fees and most importantly bring home motivation through these tough times. I would like to take this time to tell you how much I appreciate all the work that you all do to support student, people to achieve higher education. This is such a great initiative and one I will always keep close to my heart.

Nakurmiik (thank you) for your generosity,

Levi Eegeesiak
