

Dear Sponsor of:

Indspire's Building Brighter Futures: Bursaries, Scholarships and Awards Program

Thank you so much for your generous support. I'm an Inuk from Nunavut living in Ontario and working on my Master of Education degree in my final year. I'm hoping to develop curriculum for Nunavut students and promote higher education that will support the northern lifestyle. Your support allows me to live away from home and focus on my studies without having to find work, especially during this pandemic. As well, it's an inspiration to others in the territory that they can go away for school and come back home to support their communities.

Once again, I'm grateful for this program that not only supports me, but my little brother and many others as well.

ᐅᐅᐅᐅᐅ,

Peter Allan ᐅᐅᐅ McKitrick
