

Dear Sponsor of the Georgian College Indspire Award,

Thank you for considering me for your award!

I am Anishinaabek, from Beausoliel First Nation, and I am studying in the Anishinaabemowin Program Development (program). I am currently in my second and final year.

I do not have enough money this semester to cover all of my expenses and this award will help immensely.

My future aspirations are to go to Teachers College in Nipising University, and teach Anishinaabemowin at the High School level. Upon getting my OCT, I will continue to get my degree in Anishinaabemowin and continue learning the language.

Chi-miigwech,

Richard Peters
