

## Thank you letter

Dear Sponsor of the Impala Canada Indigenous Bursary, thank you for the bursary and the support. My name is Justin Goodchild, and I'm 29 years old and lived most of my life on the Reserve of Ojibway's of Onigaming. As of now, I'm entering my second year of my program at Confederation College at Thunder Bay. The program I'm in is a 3-year Electrical Engineering Technology program, which I plan to transfer to Lakehead University after my studies are finished. At Lakehead, I'll enter the 3<sup>rd</sup> year of the Bachelor of Electrical Engineering program with hopes of getting into graduate studies. Finishing graduate studies, I believe it'll give me better opportunities to further grow as an engineer. My future career is still undecided but studying the broad field of Electrical Engineering and by the time I'm finished; I'm hoping to finally use have decided. However, most importantly, I plan to help my community in anyway with the knowledge I gain through the schooling.

Lastly, Thank you for your generous support. This bursary has helped me greatly financially with future rent and the necessities to live comfortably out of my reserve. I plan to use the bursary for equipment that'll will help me with lab projects such as a soldering machine and an own computer for my programming class. Completing the work at the home. Again, thank you for the support and I'm confident this help will get me through the year with great results.
