Dear Sponsor of the Fu Hui Education Foundation Bursary, the Fu Hui Foundation for the Six-Day Intensives Awards, and the Fu Hui Education Foundation Community Intervention Awards. I am writing to thank you so much for the bursary and awards that I have received.

I am currently enrolled at the University of Toronto in the Master of Social Work -Indigenous Trauma and Resiliency Program and am completing year 2 of the program. This program has provided me with the opportunity to apply the skills I have learned through an internship assisting with a community intervention in British Columbia. The bursary and awards I have received helped cover the additional expenses that I have accumulated while achieving my academic and professional goals. When I have completed this program, I am interested in focusing on building a private counselling practice that provide support for community members to do their healing work.

Thank you for your generous support.

Nia:wen,

Leigh Staats
