Indigenous Youth Empowerment Gathering

IN PERSON

## Attendee Registration Guide

APRIL 8-9, 2025 | VANCOUVER, BC

## About Soaring

Taking on a hybrid format, high school students from across the country will learn about career and post-secondary education options by participating in career workshops either in-person or virtually. They'll also learn more about financial support and meet Canada's top employers.

The two-day event will take place at the Vancouver Convention Centre in a hybrid format which will allow students and educators to access event content in-person or from their classroom if they can't travel to attend. Our virtual platform will house panel discussions, performances, workshops, resources, and tradeshow content during the event.

## Chaperones

Indspire will recognize the person who has made their group's Soaring registration as the **Lead Chaperone**. The Lead Chaperone is the main point of contact for each group's registration and will receive all event updates and communications from the Indspire events team.

If you plan on registering a large group for Soaring, we recommend 1 chaperone for every 5 students attending Soaring however, your school or school board may have a different policy.

## Registration

To register your group for Soaring, please head to our [Eventbrite page](#). When filling out the registration form, please ensure that you are providing accurate registration details. We understand that your registration may change over the next few months. In January 2025, our events team will reach out to the Lead Chaperone to confirm the following information:

1. To confirm the number of students and chaperones attending with your group
2. Confirm if you would like Indspire to assist hotel reservations
3. Share a Photo Release Form
4. Upcoming deadlines

**The details mentioned above will need to be submitted by Friday, January 31, 2025. If you do not submit your attendee list, number of attendees, confirm your hotel needs, and Photo Release Forms by the deadline, your in-person registration will automatically be switched to a virtual registration and those on our waitlist will be contacted to attend Soaring.**

## Travel Fund

While Soaring is free to attend, we understand that your school or community may not have funds for travel and accommodation to attend the event. Through the Soaring Travel Fund, Lead Chaperones can apply to receive funding for travel, accommodation, and meals to attend Soaring.

**To apply for funding, please ensure that your group is registered first.** Once you complete your registration, you are welcome to complete the application linked below and provide detailed information about your funding needs. **If your group is not registered to attend Soaring before you apply for funding, your application will not be considered.**
