Indigenous Youth Empowerment Gathering

VIRTUAL

Attendee Registration Guide

APRIL 8-9, 2025

About Soaring

Taking on a hybrid format, high school students from across the country will learn about career and post-secondary education options by participating in career workshops either in-person or virtually. They'll also learn more about financial support and meet Canada's top employers.

The two-day event will take place at the Vancouver Convention Centre in a hybrid format which will allow students and educators to access event content in-person or from their classroom if they can't travel to attend. Our virtual platform will house panel discussions, performances, workshops, resources, and tradeshow content during the event.

Chaperones

Indspire will recognize the person who has made their group's Soaring registration as the **Lead Chaperone**. The Lead Chaperone is the main point of contact for each group's registration and will receive all event updates and communications from the Indspire events team.

Registration

To register your group for Soaring, please head to our [Eventbrite page](#). When filling out the registration form, please ensure that you are providing accurate registration details. We understand that your registration may change over the next few months. In January 2025, our events team will reach out to the Lead Chaperone to confirm the following information:

- To confirm the number of students and chaperones attending with your group
- Receive your attendee list with attendee names and emails for virtual platform access

The details mentioned above will need to be submitted by Friday, February 28, 2025. If you do not submit your attendee list by the deadline, access to the virtual platform will only be provided to the Lead Chaperone.
